

Tentative Program

Infectious Diseases Congress 2026

**Theme: *Harnessing Digital Health: Innovations in
Infectious Disease Surveillance and Management***

**April 23-25, 2026
Paris, France**

Website: <https://infectious-conference.com/>

Abstract: <https://infectious-conference.com/abstract-submission>

Registration: <https://infectious-conference.com/register>

Keynote Presentations-In-person

Alexey Severtsev

Pirogov Russian National Research Medical University, Russian Federation

Title: Surgery: Sepsis in severe acute pancreatitis

Sergey Suchkov

N.D. Zelinskii Institute for Organic Chemistry of the Russian Academy of Sciences, Russia.

Title: Personalized and Precision Medicine (PPM) as a Unique Healthcare Model via Design-Inspired & Biotech-driven Translational Applications to Secure the Infectious Disease Prevention, Human Healthcare Control and Biosafety Concerns

Jacques Demongeot

University Hospital of Grenoble, France

Title: Forecasting epidemic peaks. Applications to Covid-19 and Dengue epidemics

Keynote Presentation slots are available

Oral Presentations-In-Person

Fawzy Abdelatty

Heidelberger Center for Cellular Therapy, Germany

Title: FawCells, The Universal Alternative for Antibiotics!!

Sergey Suchkov

N.D. Zelinskii Institute for Organic Chemistry of the Russian Academy of Sciences, Russia.

Title: The Promise of Nanotechnology in Personalized & Precision Medicine: Nano-driven Precision Vaccinomics of the Future

Sergey Suchkov

N.D. Zelinskii Institute for Organic Chemistry of the Russian Academy of Sciences, Russia.

Title: Precision genome-driven epidemiology and biostatistics for infectious disease control

Oleg Sharipov

National Medical Research Center for Neurosurgery named after Academician N.N. Burdenko, Russian Federation

Title: Microbial colonization of the sphenoid sinus with Enterobacterales and *Staphylococcus aureus* in patients undergoing endoscopic transsphenoidal surgery

Lulu Xu

Chongqing General Hospital, China

Title: Pulmonary verruconis infection in an immunocompetent patient: A case report and literature review

Josue Maldonado Angeles

State Committee for Livestock Health Protection of Jalisco (CEFPPJ), Mexico

Title: Traditional raw milk beverages as an underrecognized exposure route to *brucella* spp. in an endemic region of mexico

Rachel Si Yin Wong

National University of Singapore, Singapore

Title: Supervised machine learning for predicting low risk dengue: A clinical data driven approach for appropriate and value based healthcare

Sai Yan Pyay Aung

Nanyang Technological University, Singapore

Title: Targeting vitamins B1, B3 and B5 metabolism reduces *streptococcus pneumoniae* virulence in a murine influenza co infection model

Sen Zhang

Huazhong Agricultural University, China

Title: Investigation of the protective efficacy of an *M. bovis*-BoAHV-1 combined vaccine and its universal protection against diverse bovine alphaherpesvirus type 1 strains

Manish Tripathi

All India Institute of Medical Sciences, India

Title: Exploring a Novel Interaction Between the Human Malaria Parasite *Plasmodium vivax* and reticulocyte Protein

Ram Prasad Aganja

Tribhuvan University, Nepal

Title: Expression and delivery of HA1 M2e antigen using an attenuated *Salmonella* mediated delivery system confers promising protection against H9N2 avian influenza challenge

Moiz Ahmed Khan

Tabba Heart Institute, Pakistan

Title: A systematic investigation of an outbreak of carbapenem-resistant *acinetobacter baumannii* in the surgery unit of a cardiac care center in karachi, pakistan

Moiz Ahmed Khan

Tabba Heart Institute, Pakistan

Title: Breaking the chain: How rapid investigation and product recall ended a pseudomonas aeruginosa bloodstream infection outbreak in a cardiac tertiary care center

Gholamreza Abdollahpour

University of Tehran, Iran, Islamic Republic of

Title: Serological and molecular study of leptospirosis in slaughtered cows of guilan province of iran

Ameneh Elikaei

Alzahra university, Iran, Islamic Republic of

Title: Bacteriophages as precision tools against antimicrobial resistance: Integrating microbiota ecology with modern phage therapeutics

Joan Nambafu

N.J, Makerere University, Uganda

Title: Prevalence of protective levels of anti hbs antibodies among 15 to 17 year old adolescents at Kawempe division Kampala Uganda

Feyera Gemedu Dima

Jimma university, Ethiopia

Title: Global Malaria Challenge and Its Economic Impact in Ethiopia

Kassawmar Angaw Bogale

Bahir Dar university, Ethiopia

Title: Geographical and service equity of malaria among pregnant women in ethiopia: Evidence from amhara region, 2018-2024

Eyong Rene Ebai

Global Sustainable Foundation, Cameroon

Title: Culicoides species of the rain forest belt of the littoral region of cameroon: Their incrimination in the transmission of mansonella perstans

Damilare Isaiah Taiwo

Researcher, Nigeria

Title: Performance assessment of bayesian meta analytic predictive model on kdr mutation in insecticide resistant malaria vectors in sub saharan africa

Shem Otoi Odhiambo Sam

Daystar University, Kenya

Title: Multipronged approach to panedmic surge surveillance: A case of lake region economic bloc, kenya

Oral Presentations-Virtual**Nia Muhammad**

National Institutes of Health, United States

Title: Bacteria driven HPV outcomes in anogenital cancers

Mariano Votta

Active Citizenship Network, Italy

Title: Grassroots mobilisation: Leveraging civil society and community leadership to bridge gaps in vaccine coverage

Vladimir Zajac

Cancer Research Institute, Slovakia

Title: Elimination of viruses hidden in carriers located in the intestinal tract after overcoming the infection. New medicine

Carla Sofia Ramos Alves Sirage

University of Lisbon, Portugal

Title: Hospitalized dogs as hidden reservoirs: Investigating zoonotic enteropathogens in a One Health context

Aghapy Yermans

Zewail City of Science and Technology, Egypt

Title: Characterization, antibacterial, and cytotoxic activities of silver nanoparticles using the whole biofilm layer as a macromolecule in biosynthesis

Sadin Zahra

Guilan University of Medical Sciences, Iran, Islamic Republic of

Title: Hydatid cyst of the breast: A very rare case report and literature review

Hafiza Farhat

Gomal University D.I Khan, Pakistan

Title: Bioactivity and mycochemical profile of mycelial extract of talaromyces species

Favour Motunrayo Arogundade

Adekunle Ajasin University, Nigeria

Title: Neuroprotective effects of pleurotus ostreatus fortified bread on gene expression in a rotenone induced parkinson's disease rat model

Teopista Akullo

University of Venda, Uganda

Title: Analysing malaria hot spots among flood prone communities in bugoye subcounty, kasese district, uganda

Oral Presentation slots are available

Poster Presentation-In-Person**Sasha Leibholz**

New York Presbyterian Columbia, United States

Title: Severe legionella pneumonia case series at an urban academic medical center

Michaela Greenlee

Harvard School of Public Health, United States

Title: Assessing conditional cash transfers for tuberculosis patients in india: An extended cost effectiveness analysis

Lauren Gruffi

New York Presbyterian Columbia, United States

Title: Severe legionella pneumonia case series at an urban academic medical center

Oleg Sharipov

National Medical Research Center for Neurosurgery named after Academician N.N. Burdenko, Russian Federation

Title: To identify risk factors and determine the optimal prevention strategy for postoperative meningitis

Ray John M Salud

Rizal Medical Center, Philippines

Title: Neuroschistosomiasis in an adolescent presenting with seizure and headache: A case report

Rosario Teresa Saylo

Our Lady of Mt. Carmel Medical Center, Philippines

Title: Comparative evaluation of early warning and severity scores (NEWS2, MEWS, SAPS II, SOFA, qSOFA and Modified APACHE II) in predicting septic shock, mortality and organ failure among elderly sepsis patients: A retrospective cohort study

Pei Fang Liu

National Taiwan University Hospital, Taiwan

Title: Pharmacist led digital surveillance of antibiotic adjustment in pulmonary infections caused by ceftriaxone resistant escherichia coli and klebsiella pneumoniae

Tuychiev Nuriddin Nazarovich

Republican specialized phthisiatry and pulmonology scientific-practical medical center, Uzbekistan

Title: Gut microbiota in extrapulmonary forms of tuberculosis

Wajdi Zaatour

Pasteur Institute of Tunisia, Tunisia

Title: Spatio temporal diffusion of leishmaniasis: Enhanced assessment of environmental and biological drivers through statistical and machine learning frameworks

Syeda Azra Qamar

G.D.G College, Pakistan

Title: The status of malarial infection among pregnant women a study in karachi pakistan

Farman Ali

Dalian Medical University, Pakistan

Title: Bio active peptides from marine sources: Mechanistic insights into immune regulation, microbiota modulation, and intestinal barrier protection

Taoufik Boudiaf

Ministry of Health and Social Protection, Morocco

Title: Epidemiological profile and factors prognostic disease of meningitis community in children in the region of beni mellal khenifra, morocco, 2012 to 2023

Molfa Minteh

MRC Unit The Gambia at LSHTM, Gambia

Title: Brevundimonas vesicularis sepsis in a 2 month old infant in rural gambia: A case report

Kassawmar Angaw Bogale

Bahir Dar university, Ethiopia

Title: Awareness and care seeking for long covid symptoms among coronavirus disease survivors in bahir dar city, northwest ethiopia: Phenomenological study

Molfa Minteh

MRC Unit The Gambia at LSHTM, Gambia

Title: Impact of pneumococcal conjugate vaccine on antibiotic resistant serotypes in invasive pneumococcal diseases among hospitalised children aged less than 5 years in rural gambia

Gueguim Cedric

University of Bertoua, Cameroon

Title: Distribution and characterization of carbapenemase producing enterobacteriaceae at the pasteur center of cameroon

Bantie Getnet Yirsaw

University of Gondar, Ethiopia

Title: Pooled prevalence of diarrheal disease and its determinants among under five children in east africa: Systematic review and meta analysis

Poster Presentation-Virtual**Siham Mahgoub**

Howard University, United States

Title: HIV in Familial Hypercholesterolemia

Ayra Ali

Howard University, United States

Title: HIV in Familial Hypercholesterolemia

Poster Presentation slots are available
